

The Leadership Development Programme (LDP) is specifically designed for men currently in ministry or working full-time that have many other time demands and are not able to complete higher level academic requirements throughout the course but would still like to receive high level biblical training and prepare for ministry and leadership. Students completing this programme will receive a solid foundation in the Scriptures and be equipped to pursue further education through independent study.

### **Specific Programme Objectives:**

- Master Scripture relevant to church and leadership development, particularly through study of the biblical theology of Acts and the Pauline Epistles.
- Reflect on the contributions of scholars regarding church and leadership development.
- Address the pertinent issues related to church and leadership development and analyze Scripture and other contributions related to those issues.
- Formulate conclusions and personal applications regarding those issues.

### **Programme's Course Requirements:**

- LDPs are held to a practical, pastoral level of academic rigor and production and demonstrate a high level of knowledge and interaction with the course's material.
- LDPs are not required to complete course projects
- LDPs must complete all reading reports, the bachelor's level "great books" reading and abbreviated report, the oral exam, and the summary project (term paper).<sup>1</sup>
