

NCHE ACCREDITED PROGRAMS

The Diploma in Pastoral Ministry, as a residential programme for the whole family, is designed to equip students with the biblical knowledge and ministry skills to preach, teach, counsel, and lead in a manner that is faithful to Scripture. The DPM builds on STC's Certificate in Christian Foundations and Discipleship.

Building on STC's diploma programme, the **Bachelor of Pastoral Ministry degree** is a residential program designed to comprehensively furnish the pastor with the ability to think through the biblical text in light of life's challenges, to faithfully accomplish his diverse pastoral responsibilities, and to effectively manage his home with love and devotion.
